FAST & EASY TIPS TO REGISTER FOR AN ESA CONFERENCE

Before using the registration tool available on the conference / workshop website please take note of the following FAQ:

FAQ # 1: MY BROWSER IS DISPLAYING A PAYPAL PAYMENT TOOL IN THE WRONG LANGUAGE, I DON'T UNDERSTAND!

PayPal knows which country your computer is in, so if you get a PayPal page in a language determined by your location, but would rather have it in English, replace the language abbreviation just after the paypal.com/ with the letters "en".

So a url that looks like this:

https://www.paypal.com/nl/cgi-bin/merchantpaymentweb?cmd......

Should look like this:

https://www.paypal.com/en/cgi-bin/merchantpaymentweb?cmd......

FAQ # 2: DO I NEED TO MAKE A PAYPAL ACCOUNT TO PAY FOR MY REGISTRATION? I REALLY DON'T WANT TO!

No, You do not need to create a Paypal account to use your credit card in the registration tool.

Follow these 3 easy steps:

Step 1. Click on the "Make Payment" button once you have entered all your details and selected your activities.
